Section I: Learning Resource Guide

NOTICE

Effective September 2002, Section I has been removed from all CTS strands and replaced with this general information page.

Alberta Learning authorizes a variety of resources that support learning and teaching in this strand. Teachers are encouraged to browse the Alberta Learning Web site at <<http://www.learning.gov.ab.ca>> on a regular basis for the most up-to-date information on:

- authorized resources; i.e., student basic, support and authorized teaching
- provincial software licensing agreements
- additional sources of support.

The lists of authorized resources that were previously included in Section I of the *1997 Guides to Standards and Implementation* have been deleted. Up-to-date listings of authorized resources are available at the Alberta Learning Web site and can be accessed through:

- Authorized Resources Database, a searchable online index of every approved learning and teaching resource for use in each subject area. The database is searchable for each 1-credit course.
- Learning Resources Centre (LRC). The LRC ensures accessible, available and affordable resources to enhance learning to all Alberta students.

A variety of documents and related sites are also accessible at the Alberta Learning Web site. These include:

- *Connection: Information for Teachers*, an online information newsletter for administrators, counsellors and teachers. It includes information on curriculum, resources, assessment, technology, new initiatives and projects.
- Learning Technologies Branch, a partnering branch that develops and provides information about distance learning programs and other learning alternatives offered by Alberta Learning.
- 2Learn Alliance, an education–business partnership that provides Internet inservice, support and mentorship for Alberta teachers.
